APPLICATION

- Light and heavy steel structure
- Warehouse, factory, cold storage
- Power plant, oil refinery
- Equipment support and pipe rack
- Metro/LRT/BRT systems, depot, airport terminal
- Highrise building

Building a Successful Partnership with ATAD

ATAD Steel Structure Corporation is the leading steel structure in Vietnam and Southeast Asia.

ATAD specializes in providing complete solutions including consulting, design, fabrication and erection of high-quality pre-engineered steel building and steel structure products. Since its establishment in 2004, ATAD has implemented more than 3,000 steel buildings across 35 countries around the world. We provide customers with full steel structures such as factory, warehouse, high-rise building, heavy industry, shopping mall, exhibition center, infrastructure (railway station, airport, etc).

ATAD has more than 1,700 motivated employees, quality international management system ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 and 2 modern factories with a total area of 211,000 m². Our factories are among the largest and most advanced steel structure production facilities in the world. Especially, ATAD Dong Nai factory is the first steel structure factory in Asia to achieve LEED GOLD certification, and the first factory office to achieve LEED Platinum certification in Vietnam. Each year, we invest heavily in R&D to refine our products and deliver optimal technical solutions to customers.

The number of customers has been increasing continuously every year confirms ATAD’s top position in the market. ATAD is also a sustainable partner of leading contractors, consultants and investors in the world from Japan, Korea, USA and EU.

ATAD determines to be the leader in delivering the highest efficiency pre-engineered buildings and steel structure solutions.

Optimal solutions for your projects

Are you preparing for the upcoming steel structure projects? We are pleased to provide the most optimal solution which meets and exceeds customer expectations. ATAD is constantly innovating and improving to create the highest quality of products, the best working environment, and the greatest solutions that bring surplus value to our customers.

Our motto in each project is: “ATAD is committed to continuously making great efforts for customers’ trust and long-term cooperation”. We highly appreciate your trust in our products!

Thank you for your trust in our products and services.

We are looking forward to working with you in the near future.

ATAD Steel Structure Corporation

VISION, MISSION & CORE VALUE

Vision

ATAD becomes the leading steel structure and pre-engineered buildings corporation in terms of revenue, system quality, products and services in Vietnam in 2020 and in the Region in 2025.

Mission

ATAD provides products and services that meet our customer's expectations to bring prosperity and sustainable development for Customers, Employees, Partners.

Core values

Company members are committed to living and working according to the company's values, to build a homogeneous and strong company's culture, develop a foundation of each individual with following core values:

PRESTIGE

Keep your promise, speech accompanied by actions

MINDSET

Think and act creatively, proactive to deliver solutions

RESPONSIBILITY

Dare and responsible for your actions

SAFETY ASSIGNMENT

ATAD's safety objective

No accident for everybody: each employee is responsible for his own safety and all surrounding people. The motto that we bear in mind in each project is: Work in safety, come home in safety.

All ATAD's staff and workers are trained to fully understand the importance of health, safety and environment.

ATAD is fully aware of safety, health and environment and established working culture with respect to human values.

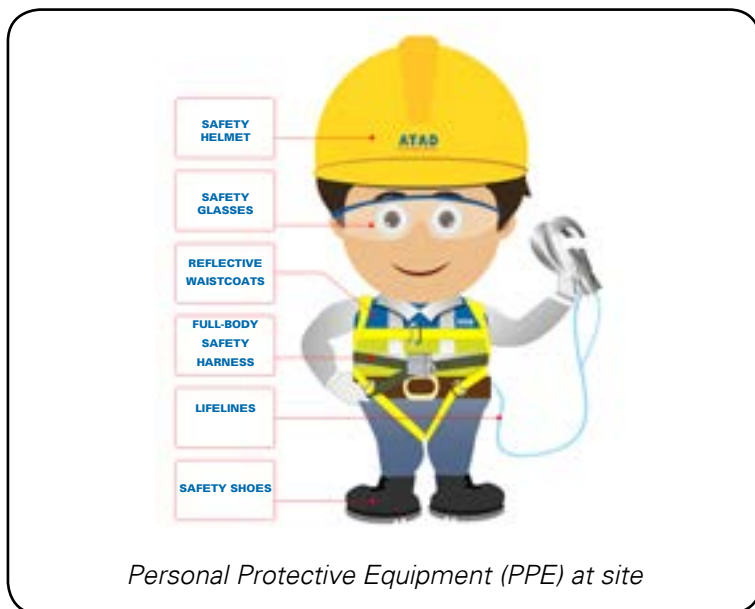

Safety sign always shows during work in progress

ATAD's safety orientation

ATAD organizes regular safety training courses and monitors all operations to ensure safety in all activities.

ATAD strives to eliminate accidents that may occur and cause injuries to humans and damages to properties. That also helps generate a positive image of ATAD to customers, communities and government.

Personal Protective Equipment (PPE) at site

CAM RANH INTERNATIONAL AIRPORT

Location	Khanh Hoa Province, Vietnam
Scale	51,000 m ² - 9,500 MT
Industry	Aviation
Client	Cam Ranh International Terminal JSC (CRIC)
Scope of work	Detail Design, Fabrication & Erection
Main contractor	ATAD

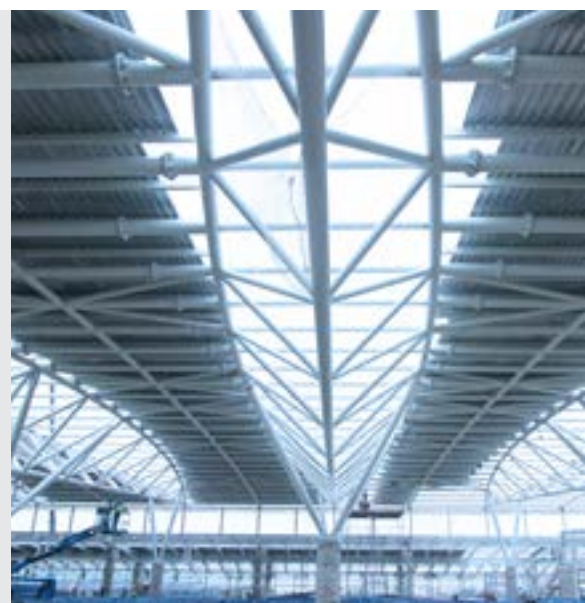

DA NANG INTERNATIONAL AIRPORT

Location	Da Nang City, Vietnam
Scale	25,000 m ² - 4,000 MT
Industry	Aviation
Client	The Da Nang International Airport Investment and Exploitation Joint Stock Company (AHT)
Scope of work	Detail Design, Fabrication & Erection
Main contractor	ATAD

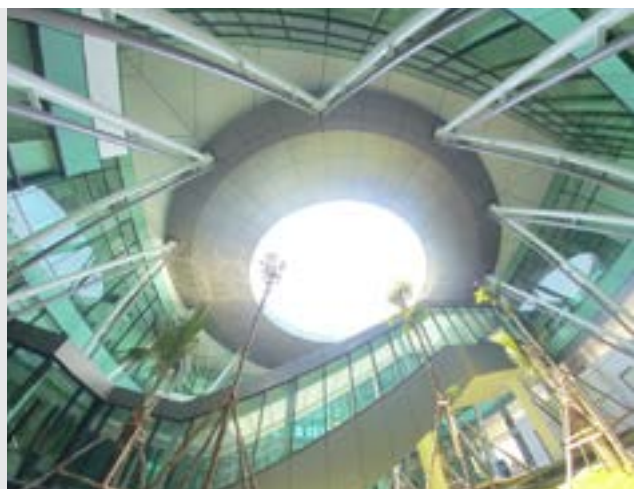

CAT BI INTERNATIONAL AIRPORT

Location	Hai Phong City, Vietnam
Scale	15,630 m ² - 1,500 MT
Industry	Aviation
Client	Airports Corporation of Vietnam
Scope of work	Detail Design, Fabrication & Erection
Main contractor	ATAD

PHU CAT INTERNATIONAL AIRPORT

Location	Binh Dinh Province, Vietnam
Scale	8,100 m ² - 1,070 MT
Industry	Aviation
Client	Airports Corporation of Vietnam
Scope of work	Detail Design, Fabrication & Erection
Main contractor	IMICO, ATAD, HASKY, LUU NGUYEN

PHU QUOC INTERNATIONAL AIRPORT

Location	Phu Quoc, Kien Giang Province, Vietnam
Scale	1,100 MT
Industry	Aviation
Client	Airports Corporation of Vietnam
Scope of work	Detail Design, Fabrication & Erection
Main contractor	ATAD

VIENTIANE INTERNATIONAL AIRPORT TERMINAL EXPANSION

Location	Wattay International Airport, Vientiane, Laos
Scale	15,630 m ² - 1,500 MT
Industry	Aviation
Client	Department of Civil Aviation, Ministry of Public Works and Transport
Scope of work	Detail Design, Fabrication & Erection
Main contractor	HAZAMA ANDO CORPORATION

TAN SON NHAT AIRPORT CAR PARK

Location	Ho Chi Minh City, Vietnam
Scale	11,000 m ²
Industry	Infrastructure
Client	TCP Joint Stock Company
Scope of work	Detail Design, Fabrication & Erection
Main contractor	COFICO

BINH KHANH CABLE-STAYED BRIDGE

Location	Ho Chi Minh City, Vietnam
Scale	1,500 MT
Industry	Bridge
Client	Vietnam Expressway Corporation (VEC)
Scope of work	Detail Design, Fabrication & Erection
Main contractor	SHIMIZU Corporation

VIET STAR HANGAR

Location	Ho Chi Minh City, Vietnam
Scale	7,300 m ²
Industry	Hangar
Client	Vietstar Airlines Multirole - Vietnam
Scope of work	Detail, Fabrication & Erection
Main contractor	ATAD

HO CHI MINH URBAN RAILWAY CONSTRUCTION

Location	Ho Chi Minh City, Vietnam
Scale	1,910 MT - 30,000 m ²
Industry	Infrastructure
Client	Management Authority for Urban Railways
Scope of work	Detail Design, Fabrication & Erection
Main contractor	GS ENGINEERING & CONSTRUCTION CORP

EMPIRE CITY SHOWROOM

Location	Thu Thiem Tunnel, District 2, HCM City, Vietnam
Scale	1,000 MT
Industry	Showroom
Client	Empire City
Scope of work	Design, Fabrication & Erection
Main contractor	AN PHONG
