**SUBJECT: APPROVAL COMMUNICATION**

Hereby we are pleased to inform you that the technical analysis of the certification package was successful, and on **17<sup>th</sup> December 2020** was approved certification of your Factory Production Control in accordance with the requirements of EN 1090-1.

We remember that the first surveillance shall be performed one year after the initial assessment (**no later than the 4<sup>TH</sup> December 2021**). The frequency of surveillance and after the first surveillance to be in accordance with § B.4 "Inspection frequency" of EN 1090-1 and in particular the frequency of surveillance, depending on the execution class, Table B.3 of EN 1090-1 as follows:

Execution class	Intervals between inspections of manufacturer's FPC after the ITT (years)
EXC 1 e EXC 2	1- 2- 3- 3
EXC 3 e EXC4	1- 1- 2- 3- 3

**Also remember that all changes occurring with respect to Annex to the Certificate of Factory Production Control, it must be promptly communicated.**

Yours faithfully
